### 7. Current account liquidity

For clients with substantial cash amounts on their current accounts, the bank reserves the right to charge, in addition to the account maintenance and custody fee, interests on the deposited cash, which will be calculated based on the amount of the credit balance and the market interest rates. The applicable interest rates are available upon request. The affected clients will be informed in writing and in advance of all potential charges.

The service fees and commissions, conditions and charges mentioned in this brochure will be applied to BBVA New Gen client accounts according to the general banking conditions of BBVA SA (the Bank). The Bank reserves the right to modify the fees and charges at any time and without prior notice in accordance with the general banking conditions..
